Dear Students and Parents/ Guardians:

We are writing you today to tell you about an exciting fundraiser happening at CCI. A group of dedicated students have organized an afternoon of music provided by our CCI Music department for our school community to support SickKids Hospital. There are several students in our school and many families in our school community who have been served by this amazing hospital. To support the ongoing and important work of SickKids, Collingwood Collegiate students, parents and staff are being asked to participate in a fundraiser to support the programs and professionals at SickKids who make a difference in the lives of so many families each day.

The concert is scheduled for Thursday, December 14th in the afternoon. Students have the opportunity to "buy in" the concert. Tickets are \$5. Students who attend the concert will miss part of period three and part of period four. We are fortunate to have terrific community partners (Dairy Queen, M&M Meats, RE/MAX, Rocky Mountain Chocolates, Tim Hortons, Toppers, Starbucks) who have donated prizes for our promotional draws. Every concert ticket purchased will come with one draw ticket. Students who choose to donate \$10 will receive five tickets and donations of \$20 will receive ten tickets.

We are also asking parents and guardians to consider donating to this worthy cause. With the holiday season approaching, a donation in the name of another person is a great gift. You can find the link to the donation website on our school website: [cci.scdsb.on.ca](http://cci.scdsb.on.ca). The news item is called CCI Music for Kids.

We plan to run other fundraising activities throughout the school year and hope students and parents will help us to meet our \$10,000 goal as a donation on behalf our school and our community to SickKids Hospital.

Thank you,

Holly Johnson
