Create Date: 17-MAY-2017

The Ontario Ministry of Education is working with researchers to gather feedback and input to inform the development of the Third Progress Report on the implementation of the *First Nations, Métis and Inuit Education Policy Framework*.

Students, parents/guardians and families, teaching and non-teaching staff, Indigenous communities, organizations and partners, and school boards are invited to participate in an online survey and/or online focus groups to capture successes and help to identify promising practices and opportunities to provide further support to enhance the achievement and well-being of Indigenous students.
